President's Message

"After having created this atomic age, education cannot escape the responsibility for teaching men to live in it without destroying themselves."

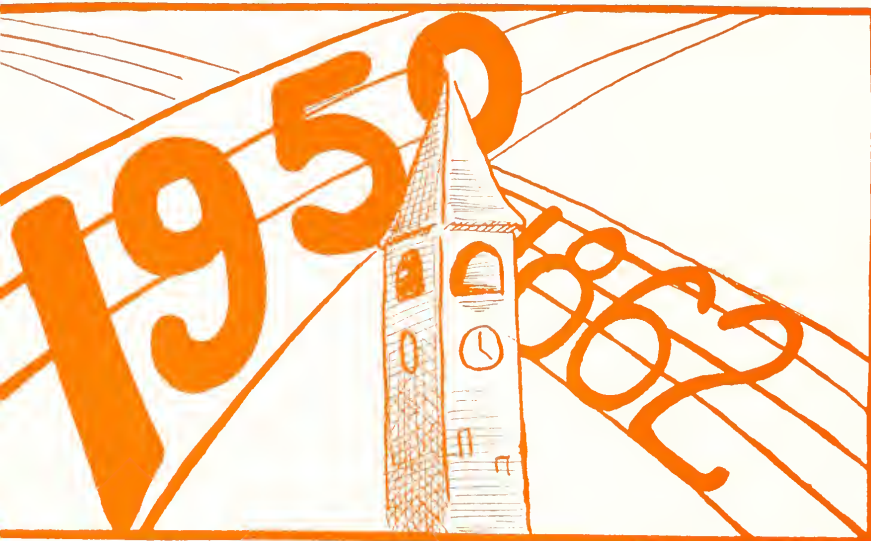

OMAR N. BRADLEY

You are graduating amidst a world conflict not between nations but between ideas. What you think and what you teach becomes increasingly important for generations yet unborn. Your opportunities for leadership are greater than those who have left this campus to join the ranks of teachers. But with that leadership goes a great responsibility. Responsibility to keep the

lamp of freedom aflame in the hearts and minds of the youth of America. At no time in the history of the world have the stakes been higher. The dignity of human personality, the preservation of America as a bulwark of material and spiritual strength in a world of chaos, and the individual freedoms that make a people and civilization strong can only be maintained by free men. This responsibility is the most serious job of your generation. To the degree that your efforts contribute to the happiness of people everywhere, to that degree will you assure your own greatest happiness.

To a Symphony, the sounding together of orchestral instruments all harmoniously blending in a perfect ensemble, we liken our years at Mansfield State Teachers College.

The History of Mansfield

In the year 1854 Joseph Hoard, prominent citizen of the little village of Mansfield, began the project of establishing an institution of higher learning to serve North-Central Pennsylvania. On January 7, 1857, the "Mansfield Classical Seminary" opened its doors to one hundred and five students. Six days after the second term of the seminary began, the building burned to the ground. Undaunted by the disaster, the courageous citizens of Mansfield assembled and pledged \$4000 for the erection of a new building while the walls of the old were still falling. The seminary reopened in December, 1861; and one year later it became the third State Normal School of Pennsylvania.

During its 89 years as a state institution, Mansfield has grown far beyond the dreams

of those enterprising pioneers who labored for its existence. It has developed from one building on a 10 acre campus to 20 buildings on a 50 acre campus. In June, 1926, Mansfield was granted the authority to confer the Bachelor of Science degree in Education and thus it became a State Teachers College. Regardless of the hardships of two World Wars and the possible danger of a third, Mansfield has continued to grow. Today it is engaged in a project to expand its facilities to meet the educational needs of the men and women of the area. Throughout its span of life Mansfield State Teachers College has remained true to the motto set forth by its founders: "Character as the essential, Scholarship as the enrichment, and Service as the end of all worthy endeavor."

DEAN OF INSTRUCTION

HERBERT E. MANSER

The ultimate aim of education is to develop character. One must not forget that all development and improvement are from within outwards.

DEAN OF WOMEN

ELLAMAE JACKSON

"Trusting to Him who can go with me, and remains with you, and be everywhere for good, let us confidently hope that all will yet be well."

—ABRAHAM LINCOLN

DEAN OF MEN

SAMUEL M. LONG

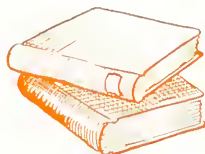

"You are not here merely to prepare to make a living. You are here to enable the world to live more amply, with a greater vision, with a finer spirit of hope and achievement. You are here to enrich the world, and you impoverish yourself if you forget your errand."

—WOODROW WILSON

Who's Who Among Students in American Colleges and Universities

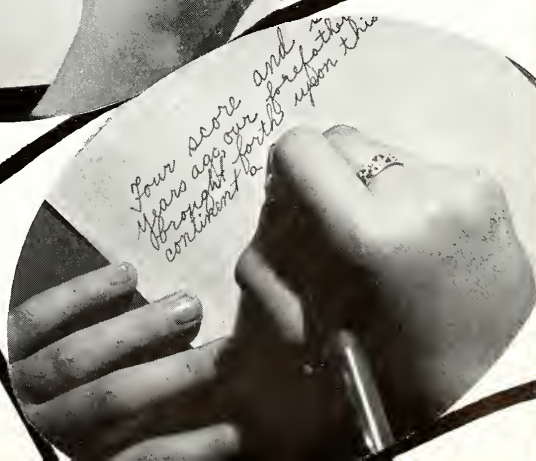

From Top to Bottom: Don Buford, Bernadine Shaw, Frances Hendricks, Mary Alice Cawley, Thomas Hurley, Sarah Sparks, Beverly Theetge, Mary Louise Keiper, Kenneth Brown, Nancy Fray, Betty McCabe, Ruth Shiner, James Barrett.

Thirteen seniors from Mansfield State Teachers College were selected to appear in this annual national publication. These students were selected for excellence and sincerity in scholarship, leadership and participation in extra-curricular activities, citizenship and service to the school, and promise of future usefulness to business and society.

The students were chosen by a board composed of seven faculty members and eight students. The faculty members were the President, the Dean of Instruction, the Dean of Men, the Dean of Women, and the heads of the departments. The eight students were appointed from the sophomore and junior classes by the Student Council.

All students consider this honor a worthy recognition of their school's outstanding students.

HOME ECONOMICS

Under the careful supervision of home economics instructors, many efficient teachers and homemakers have been sent out by the Home economics department. Their fine ability has been attributed to the tireless efforts of able supervisors preparing them for their career in home economics.

There are three main reasons why the home economics course is considered important: first, because of the fact that we as homemakers have in mind the happiness and well-being of others; second, because of the important place of the home in American society; and third, because of the fact that the graduate is prepared for home living as well as teaching, as a result of the varied types of instruction.

Each course is interrelated so that in the planning and carrying out of such a home economics educational program, there is much to offer both for the personal and professional development of the individual.

MUSIC DEPARTMENT

College is a way of life . . . students come and go, their lives made richer and fuller by their brief contact with this community of learning. It is not enough to teach mere subject matter alone; learning must also include co-operation, reliability, self expression, confidence, values and ideals. The Music Department has attempted to further this balanced development for all students.

In the midst of this present international conflict and unrest, the arts are needed to affirm our fundamental beliefs. Music is one of the most essential and convincing expressions of that faith in truth and beauty which alone makes human life worthwhile.

ELEMENTARY DEPARTMENT

The Elementary Department is growing rapidly in response to the tremendous and increasing demand for good elementary teachers. Mansfield has an excellent elementary school plant and a faculty consisting of experienced teachers with graduate training. The Seniors are required to teach a full year in a typical school situation. Training under these conditions assures that our graduates are in demand for the best positions.

SECONDARY DEPARTMENT

One of the functions of the college is to prepare competent instructors for secondary schools, to the end that . . . the Commonwealth and Nation shall have an enlightened citizenry fully capable of self government in a republic, and . . . a young generation of men and women who have the necessary foundations to become expert in one or more of the specialized fields which the welfare of society may require.

May Day

Each year our May Queen and her court are selected by the entire student body. This May Day Celebration is one of the most outstanding and lovely events of the college year.

The girls are chosen on the following qualifications: personality, attractiveness, extra-curricular participation, and academic rating. They are examples of Mansfield's outstanding women.

Left to Right: Lena Mae Baker, Berniece Klingaman, Ruth Tingley, Rita Masterson, Edith Kendall, S. Lou Marvin, Betty Whitehorn, Ellen Houser, Audrey Cornell.

FRESHMEN

The first movement, which more than any other gives the Symphony its character, we bequeath to the Freshmen.

The Freshman Class

1950's September finally rolled around and along with the familiar faces that appeared on Mansfield's campus, "Came the Freshmen." We were timid, excited, confused and hopefully friendly. We survived our initiation and produced a fine talent show and dance.

With humble gratitude and deep respect for Mansfield's honor and fame, may we, the class of '54, express our many thanks to everyone who has helped make our freshman year a wonderful experience.

The Nurses

Students entering the School of Nursing of the Robert Packer Hospital spend the first fifteen weeks of their three year course at Mansfield as special students. The Hahnemann nurses from Scranton have a similar program. While here they carry a heavy schedule—twelve courses in all, and finish the fifteen weeks with seventeen semester hours to their credit, plus the Nursing subjects.

They find time to participate in many college activities and sports and look back upon their stay at Mansfield as a very pleasant beginning to their chosen profession—Nursing.

The Sophomore Class

The sophomore class has had a truly eventful year. Our talent show which was presented in Straughn Hall on November tenth was hailed as the finest student-directed show at M. S. T. C.

Another featured event sponsored by the sophomore class was "Dink Day" consisting of athletic contests between the freshman and the sophomore classes. This afforded an opportunity for the freshmen to shed their dinks at an earlier date. Unfortunately, they were defeated and therefore wore their dinks until Thanksgiving.

Proving to be equally as successful as all of the other activities the class undertook was the annual Sophomore Class Hop held in the gymnasium on January 27, 1951.

Our second year at Mansfield has indeed been a busy and a happy one.

The Junior Class

"It won't be long now." How very true the statement! Only one short year lies between us and a now vague future. Many of our classmates have suddenly had to discontinue their education at Mansfield. To them we express with greatest sincerity our desire for their safe return.

Though our number may decrease, it is certain that our Spirit won't. We hope everyone is as proud of M. S. T. C. as we, the Class of 1952, are.

SENIORS

To the Seniors belongs the finale—the final movement of the Symphony. The struggles and aspirations of earlier movements are brought to their resolution in an impassioned hymn of victory. The sense of power and promise, high determination and courage breathing through the music is an appropriate farewell review for the Seniors.

Seated, Left to Right: Barbara A. Snyder, Miriam Hunter.
Standing: Thomas McLain, Fred Place.

The Senior Class

Where is it we are going? Out to various far-flung posts, taking with us each according as he has invested. As we go the horizon is darkening with war and only our God knows what the future holds for us. "In God we trust."

Here, we have gained knowledge, friends, a degree, and many tools usable on life's road. We are prepared to give aid and instruction to our understudies and to help bolster the course of free enterprise and self-government.

We want to thank each member of the faculty who has helped us during our four years training period at Mansfield State Teachers College.

STUDENT COUNCIL

The major duties of the Council include planning the extra-curricular activities program, publishing the *Password*, taking the opinions and problems of the students before the administration, and arranging the social calendar.

The Student Council President is elected from the senior class; the Vice President and Treasurer are elected from the junior class; and the Secretary is elected from the sophomore class. The other members of the Council automatically hold their positions by first being elected to the following offices: Editor of the *Flashlight*, Advisory Editor of the *CARONTAWAN*, President of the Women's Dormitory Council, President of the Men's Dormitory Council, President of the Day Students Club, and the four class Presidents.

DONALD BUFORD, President

Seated, Left to Right: Miss Reed, Nancy Fray, Bernadine Shaw, Mildred Kneiss, Miss Jackson. *Standing:* Shirley Timmins, Shirley Stedje, Joanne Shaffer, JoAnn Harris, Ada Frailey, Betty McCabe, Marilyn Brush, Gloria Benfer, Ruth Judd.

WOMEN'S DORMITORY COUNCIL

In the spring, the women students living in North Hall elect eight members to serve as a council for formulating and enforcing regulations for the coming year. In the fall two freshmen are added to this governing body. When the Sayre student nurses arrive they elect two of their group to serve on the council.

The aims of the council are: to administer student life in the dormitory so that all might live comfortably and with consideration of others, to develop individual and group responsibilities, and to encourage high scholastic standards.

Several projects are undertaken throughout the year such as: Big and Little Sisters, Sophomore Pals, and hall parties.

WHAT DOES GOD REQUIRE OF US ?

We live in an age of anxiety—

Violence stalks the earth;

Ancient selfishness is armed with the sun's
own energy;

Fear and confusion haunt old and young.

Yet this is an age of promise—

Freedom and democracy grip the imagination;

Such tools as man has never known before are
in his hand;

Millions stand up to claim their heritage as
sons of God.

We are called to see the light of hope—

To find relevance in the Christian message;

To ask what the Lord requires of us:

as persons . . .

as members of the university . . .

as churchmen . . .

as participants in the world struggle.

To love with mind and heart and soul and
strength the Lord, our God,

And our neighbor as ourselves.

Omicron Gamma Pi

Omicron Gamma Pi is an active organization open to all home economics students. The club is affiliated with the State and National Home Economics Associations.

The organization aims to further the interests of home economics in our four years at college, to promote unity among classes, to create better teaching activities for student teachers, and to promote ideals for better and happier homes in the future.

Our special event this year is to entertain the girls from Tioga County and plan a fashion show.

Programs for this past year centered around the Pennsylvania Dutch. The objective of this plan was to learn more about these very interesting and popular people from our own state.

The Association of Childhood Education International aims to give the students in the elementary course an opportunity to become affiliated with a professional organization in the teaching field which has as its primary purpose the increasing understanding of the responsibility of teachers to children. It aims to enrich the student's outlook, to encourage participation in group discussions, to promote group loyalty, and to develop desirable professional attitudes.

The A. C. E. I., as the name indicates, is international in scope and interest. The student branch at Mansfield is an integral part of the national organization and aims to carry out its objectives.

The theme for discussion this year centers around our national heritage and the democratic tradition. Preparing and presenting these programs gives students invaluable social and professional experiences.

The A. C. E. I. meets the last Wednesday of each month. The organization is known on the campus as the Elementary Club. Membership is voluntary and student interest in the club is very gratifying. The meetings serve to bring together all members of the elementary group and to provide intellectual stimulation with relaxation and fun.

The Art Club is an honorary society for those persons who have attained an A in one semester of art. The club endeavors to promote an appreciation of the fine arts through the examination and creation of artistic things. The theme this year was based on the graphic arts—painting, sketching and printing.

The Art Club plans and carries out the campus decorations for Christmas and May Day.

The organization is affiliated with the Eastern Arts Association to which delegates are sent each year.

Advisers—MISS ALLEN, MISS DRUM

The College Players have as their objective the growth of those qualities which contribute most to personal and professional advancement. They believe whole heartedly in their organization and through this belief find it fun, hard work and immensely rewarding.

It is due in no small measure to the capable direction of Miss Allen and Miss Drum that College Players are able to present for their productions Broadway hits as well as classics of the drama. This is evidenced by the 1950 fall production of "The Barretts of Wimpole Street", by "Pride and Prejudice" in 1947, "A Midsummer Night's Dream" in 1946, "Jane Eyre" in 1945, and by modern comedies presented each year.

The dramatic organization on campus is an integral part of college life, offering to any interested student warm fellowship, cultural and artistic growth and an additional important string to his professional bow.

Lambda Upsilon Cast of Alpha Psi Omega Dramatic Fraternity

Alpha Psi Omega is a national honorary dramatic fraternity whose purpose it is to provide an honor society for those doing a high standard of work in dramatics. Membership in this fraternity by no means sets one apart from the rest of College Players. Eligibility is based on a credit system set up by headquarters; and, when sufficient points have been accrued to any Player, he may join Alpha Psi Omega.

It is through this club that the Mansfield letter "M" may be earned. The association aims to create an interest in sports, recreational activities, and tournaments.

The organization provides equipment for skating, skiing, bowling, volleyball, basketball, tennis, swimming, badminton, softball, and archery.

Two of the organization's major aims are "fair play" and "equal opportunities for all who participate." Membership insures clean fun.

The "M" Club is composed of men who have earned a varsity letter in one or more intercollegiate sports. Its purposes are to encourage wholesome living and good sportsmanship, and to stimulate interest in athletics.

It was in the fall of 1921 that a Mansfield State Teachers College student suggested that all varsity men form an honor organization, the result being the "M" Club.

In addition to managing the printing and sales of programs for home football games and operating concessions for basketball games, the club sponsors a spring sports dance.

The Flashlight, Mansfield's student newspaper, is highly sensitive to campus needs and constructive criticisms; it strives to correct existing conditions whenever necessary and possible, and to promote the general welfare of the college.

The school newspaper is a monthly publication and has been edited continuously since the first issue of February 6, 1926. In 1950 *The Flashlight* received the honor of attaining second place in the Columbia Scholastic Press Association Annual Newspaper-Magazine Contest. At present *The Flashlight* is also a member of the Pennsylvania State Press Association.

This publication is composed principally of articles about student activities on the campus, but it also reflects student attitudes and ideas concerning world events. Articles written by persons not belonging to the staff are always welcome and are frequently published.

Selection of staff members is accomplished in a fair and thoughtful manner. Each student at registration fills out a questionnaire which reveals his journalistic interest and experience. Using this information as a basis, the editors request him to submit further evidence of his ability, usually by writing a sample article. From candidates thus chosen the editors then select new members.

All work connected with the paper is accomplished by persons on the staff. Each member receives a *Flashlight* key as an award for his services. The entire group working together knows that it can attain the ultimate goal—the successful school paper.

We present this, the 1951 CARONTAWAN, with the sincere hope that all those possessing this annual will derive as much pleasure from it as we, the CARONTAWAN Staff, have had in producing it.

This year our goal was to complete the year-book on schedule, thereby meeting the expectations of publishers and students. To the faculty, the administration, and the students who have helped us to fulfill our aim, we sincerely say, "Thank you."

MR. JUPENLAZ
Director of Veterans Administration

Message from the Veterans' Counselor

To the general public, the veterans attending Mansfield have been just another group taking advantage of a governmental provision for education; but we who have known them intimately will remember them as mature, loyal, and cooperative citizens who have seen life; and in many cases, death, in their grimmest reality.

They are young, but still old in experience, having already lived more than the average person lives in his "three score and ten." They have learned to evaluate situations and people; to sift the wheat from the chaff.

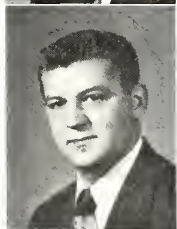

The teaching profession can not but profit by the new sense of values brought to it by these young men and women—and so as they leave our college ranks we think of them with love and affection, assured that they will be a credit to their country in peace as they were in war.

Ironically enough, and through no fault of their own, the peace for which the veterans fought is not yet—even as these words are penned, the clouds of war again hover, while underneath sound the rumblings of armed conflict—we ask ourselves the question, "WHEN WILL THE WORLD EMERGE FROM THE DARKNESS TO LEARN THE LESSONS OF PEACE?"

BLOOMSBURG OVERWHELMS MANSFIELD 39-6

For the opening game of the 1950 season the Mountaineers traveled to Berwick, Pennsylvania, where they met a strong and well seasoned Bloomsburg State Teachers College team and went down to defeat, 39-6.

The Huskies, who lived up to their nick-name by outweighing the young and inexperienced Mansfieldians 20 pounds per man, were able to hit pay dirt once in the first and last quarter and twice in the second and third.

Mansfield's only score came in the final period when Paul Shepanski scampered off tackle from the 8 yard stripe after a midfield pass—"Bill" Keating to "Walt" Gillis—had located the ball in scoring position.

INDIANA BEATS M. S. T. C., 28-14

The Mountaineers suffered their second straight defeat of the 1950 season at the hands of Indiana State Teachers College in an evenly matched contest which saw a last quarter Indiana drive net two touchdowns and prove fatal to Coach Casey's boys.

Mansfield took the upper hand in the second period by tallying twice to Indiana's once, to enjoy a half-time lead of 14-7. A pass by "Bill" Keating from the Indiana 20 into the arms of "Tony" Roan in the Indiana end zone counted for the first score. Keating again tossed to Roan later in the period to set up Mansfield's second and final touchdown. It was another 20 yard pitch which brought the ball down to the one yard stripe from where Bill Keating carried it across on a quarterback sneak just as the whistle for the end of the first half sounded.

Indiana scored once in the second quarter but three second half tallies proved too much for the tiring Mountaineer eleven.

WARRIORS SCALP MOUNTAINEERS, 14-0

The Stroudsburg State Teachers College Warriors downed a stubborn Mansfield eleven, 14-0, before a large Parent's Day crowd at Smythe Park on October 7, 1950.

It was a hard fought contest with neither team yielding till late in the third period when Stroudsburg's left halfback managed to break around right end for a touchdown. A final period pass accounted for Stroudsburg's second tally.

The Mansfield forward wall, led by Tom Hurley, Don Mahon, and Pat Fashetti, played brilliant defensive ball and it was a tough contest for the Mountaineers to lose.

BROCKPORT EDGES OUT MANSFIELD, 13-12

The Mountaineers dropped a close contest to Brockport State Teachers College at Brockport, New York, by a small margin of 13-12 after battling the upstaters on even terms for four periods and threatening to score when time ran out.

The Mansfieldians broke into the scoring column early in the first period when "Lenny" Zanolwicz intercepted a Brockport pass on the Mansfield 15 yard line and raced 85 yards to pay dirt. Brockport rallied in the second and third periods to score on passes and move ahead of the Pennsylvanians 13-6.

Mansfield's second touchdown came in the final period on a pass from Carl MacEntire to Pete Dokas. The try for the extra point was blocked and the Mountaineers trailed by one point, 13-12.

With about five minutes remaining, Mansfield began a steady march downfield from their own five yard line in a desperate attempt to pull the game out of the fire, but the final whistle sounded before the Mountaineers could push across the all important T. D.

MOUNTAINEERS VICTORIOUS OVER LYCOMING, 40-0

Ted Casey's Mansfieldians overwhelmed Lycoming College in a one sided contest by a score of 40-0 in their first victory after dropping four straight. Behind the hard blocking of their forward wall, the Mansfield backfieldmen had a field day in scoring.

Mansfield lost no time in launching their scoring spree. Loos carried the ball across from the 1 yard stripe in the first period after a drive from midfield. Quarterback Don Reid was the important factor in Mansfield's second tally as he pitched a 20 yard pass to Pete Dokas and ran around end for 10 more yards to set up the touchdown, which he completed on a quarterback sneak from the Lycoming 1 yard marker. Mansfield continued their scoring in the third period as Clyde Miller caught a 20 yard pass from Bill Keating and scampered 20 more yards to paydirt.

In the final quarter, the Mountaineers pushed up 20 more points. A 30 yard pass from Carl MacEntire to Jim Brown brought the ball down to the 1 yard line. Ed Loos carried it over in two plays. A Lycoming fumble on their own 10 yard line and an off tackle run by Clyde Miller resulted in another Mansfield score which brought the total to 33. Mansfield's final score was by virtue of a 30 yard end run by Paul Shepanski.

MANSFIELD BOWS TO KINGS COLLEGE, 26-18

On October 28, 1950, the Mountaineers journeyed to Wilkes-Barre where they encountered the Monarchs of Kings College and went down to defeat to the tune of 26-18 in one of the hardest-fought and well-played contests of the 1950 season.

Monarch took an early lead on a sustained drive after taking the kickoff but the Mansfieldians came back to score two spectacular touchdowns in less than two minutes of play. A 15 yard toss from Bill Keating to Pete Dokas and lateral pass to Tom Hurley, set Hurley in open field where he scampered 50 yards for a touchdown. A Kings fumble on the kickoff and a

20 yard pass to Clyde Miller in Kings' end zone accounted for the second Mansfield score.

Kings scored once more in the first period and twice in the last for their total of 26.

Mansfield's final tally came on a toss from Carl MacEntire to Fausto Tomassoni just as time ran out.

M. S. T. C. DROPS CLOSE ONE ON HOMECOMING DAY, 7-6

A large rain-soaked Homecoming Day crowd saw Edinboro edge out Mansfield 7-6 even though the Mountaineers out-gained Edinboro, 12 first downs to 9.

Mansfield was first to score in the second period after a 20 yard pass from Bill Keating to Pete Dokas brought the ball deep into Edinboro territory where Keating carried over from 1 yard line on a quarterback sneak. The kick for the extra point was wide.

Edinboro's tally also came in the second period to end the scoring of the 1950 season's mud bowl game.

LOCK HAVEN TRAMPLES M. S. T. C., 40-12

A strong Lock Haven Grid machine over-ran a fighting Mansfield team 40-12.

The Bald Eagles lost little time in launching their scoring spree and at the end of the first period led the Mountaineers 28-0.

Mansfield fought back stubbornly in the second period by scoring twice. Fausto Tomassoni climaxed a midfield drive on a T. D. around end from the eight yard marker. Walt Gillis scored the second tally on a pass from Don Reid.

In the second half play, Lock Haven repelled two Mansfield scoring threats and added two more six pointers to its total.

MILLERSVILLE DOWNS MOUNTAINEERS IN FINAL, 25-6

Ted Casey's boys suffered their final defeat of the season at the hands of Millersville State Teachers College to bring the 1950 season record to one win, six defeats.

The Marander's scoring attack proved to be too strong for the Mansfieldians, though the Mountaineers outran Millersville 13 first downs to 12. Mansfield scored on a drive from the Millersville 40 yard line with Ed Loos and Clyde Miller carrying on a series of line bucks to the 1 yard marker from where Miller carried across on an off-tackle play.

Frank Sudak, Tom Magdelinskas, and Len Zanowicz played brilliant defensive ball while Pete Dokas, Carl MacEntire, Bill Keating, Warren Wood and Tom Hurley brought their football careers to a close in this final game.

Bottom Row—Hank Goodman, Tom Best, Chet Swimley, Bob Lieb, Jim Marshall, Julian Gottlieb.*

The varsity squad for Mansfield's 1951 basketball season was built around the three returning veterans of the 1950 team: Henry Goodman, Bob Maxson, and Steve Jurnack. Coming forth to round out the first team were Bobby Lieb and Nate George. Reserve power, the all important factor in determining the fate of many teams, was furnished by Julian Gottlieb, Jim Marshall, George Kovach, Ed Luce, Dick Wilcox, Chet Swimley and Tom Best.

Coach "Ted" Casey was ably assisted in his coaching duties this year by Edward Rushin, former Sunbury High School basketball coach. The Mountaineers' won lost record is not impressive statistically speaking, but the "close ones" and the fast exciting contests vastly overbalanced the few one-sided ball games. Lack of sufficient height and seasoned reserve force were the squad's downfall in many games.

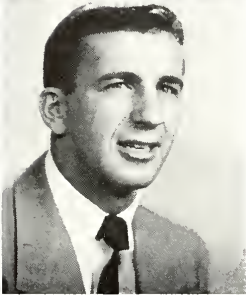

The M. S. T. C. Cagers opened the season against a strong and highly favored Lycoming College team which was just able to squeeze out a 70 to 66 victory. In the second game of the season the Mountaineers emerged victorious over a stubborn Wilkes College team 75 to 63 but went into a slump and lost seven straight games to the teams of Lock Haven, Bloomsburg, Lycoming, Millersville and Harpur College. The Harpur game was a two to one forfeit.

It was Wilkes College who ended the losing streak for the Mountaineers as the Colonels went down to defeat 83 to 68. A 63 to 62 heartbreaking defeat at Shippensburg, a 59 to 54 victory over Harpur College and an 85 to 57 loss at Millersville rounded out the season's games.

In the scoring department, Bob Maxson was top man with a 20 point average per game. "Hank" Goodman was next with an average of 15, followed by Steve Jurnack with 10 per game.

Something new was featured on the basketball court this year in the form of a J. V. squad. Coach "Ed" Rushin tutored the Junior Mountaineers and counted on Sam Woodard, Curt Maxson, Clyde Miller, Bob Shmidt, Don Reid, Larry Callaghan, Buzz McLean, and Hank Greenburg to provide exciting and thrilling preliminary games for the basketball fans at M. S. T. C.

BASEBALL

The Baseball season was a little brighter for the sports enthusiasts at M. S. T. C. With less than ten days to practice before the first game, Coach "Ted" Casey built a squad around ten returning lettermen and the promising newcomers. The record was six wins and five losses when the final pitch of the 1950 season was thrown.

In the opening game, the "Huskies" of Bloomsburg S. T. C., who boasted of an eighteen consecutive win streak, managed to eke out a slim 4-3 victory over the fighting Mountaineers at the "Huskies'" field.

The Red and Black came back strongly in the second game as Joe Moresco pitched a no hit, no run game to defeat the Lycoming Warriors 3-0. Moresco, who faced only twenty-eight men, had eleven strike outs.

JOE CHEPLICK

Captain

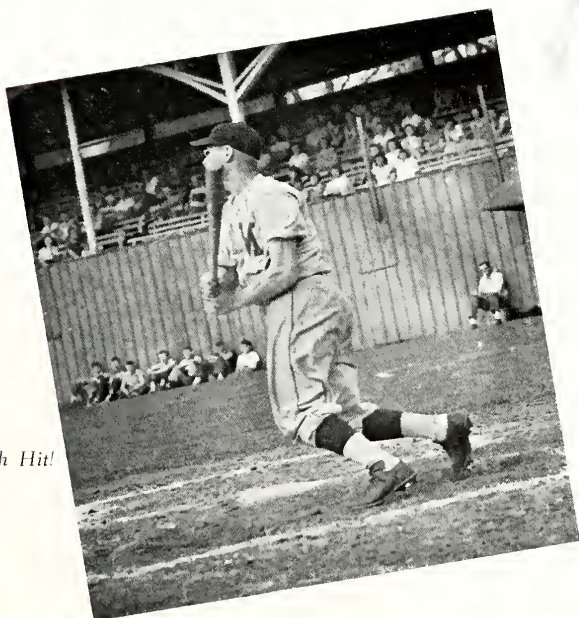

Still fresh from their smashing victory at Lycoming and taking advantage of errors and free bases, the Mountaineers edged out a spirited Cortland S. T. C. team in an equally matched contest with a score of 3-2. Walt Klimash's steady determined pitching and "Sil" Cerchier's timely hitting and fielding gave Mansfield its small but decided edge over Cortland.

Mansfield's journey to Lock Haven proved to be fatal to the Mountaineers winning streak as they went down to defeat 7-1.

The Mansfieldians climaxed the May Day festivities with a decisive 6-1 victory over Kings College. Joe Moresco captured his second win in three starts as he spaced seven Kings hits over nine innings. Paul Shepanski supplied the hitting power for Ted Casey's nine as he hit a double and a triple to drive in one run and score twice himself.

The Kings College Monarchs once again went down to defeat at the hands of the Mountaineers 13-1, as Mansfield notched up their fourth win of the season. Joe Cheplich was the winning pitcher.

As the Mountaineers went into the final stretch of the 1950 season, they emerged victorious in two contests and went down to defeat in three others. Lock Haven, Cortland and Ithica took the measure of the Mansfieldians 10-7, 6-4, and 8-7 respectively, while Mansfield defeated Lycoming 8-6 and Bloomsburg 5-2.

WOMEN'S SPORTS

Teachers colleges have a definite need for a physical education program that will provide future teachers with a background of activities enabling them to supervise recreational periods. Emphasis on activities and leadership necessary to fulfill this task can be found in the Mansfield Physical Education Program.

A varied and interesting program has been arranged by Miss Dieffenbach and Miss Duff. All sports activities are grouped according to seasons, thus providing recreation during the entire school year.

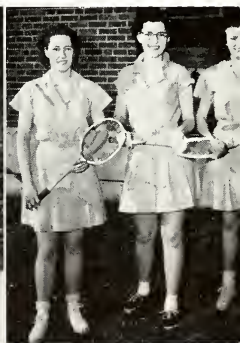

Golf, introduced for the first time this year, is given to the freshman women but will later be extended to include the upper classmen. The students are taken to the Corey Creek Golf Course for instruction.

Intramural tournaments and class competitions afford each student an opportunity to participate in her favorite sports. These activities give the women a chance to know the rules of the game and especially to learn good sportsmanship.

*Sportsmanship is
our ultimate goal.*

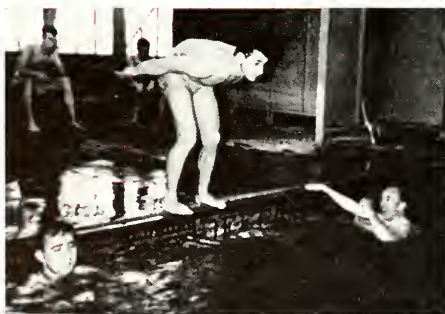

MEN'S SPORTS

Today there is an ever increasing need for recreational activities in Teachers Colleges to aid future teachers in supervising such activities. Mansfield's recreational program for men students has expanded to meet these needs.

Within the past few years the Men's Recreational Department has added several new sports to its program. At the present time the activities include basketball, softball, volley ball, tennis, swimming, bowling, and table tennis. Leagues in softball, basketball and bowling have also been organized.

Properly distributed throughout the year, there is an all year round sports activity program.

PETE DOKAS

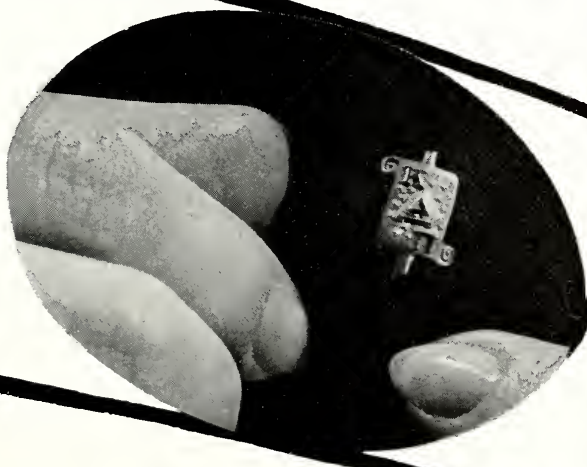

National recognition was bestowed upon the 1950 Football Squad in the form of an invitation extended to Pete Dokas to play in the annual Blue and Grey football classic at Montgomery, Alabama, on December 30, 1950.

Pete, who is six feet five inches tall and weighs two hundred forty pounds, played left end for Coach Casey's gridders and was an important factor in the Mountaineers' scoring attack throughout the 1950 season. Pete's pass-catching ability, teamed with his towering height, enabled him to figure prominently in the offensive play; while his outstanding defensive work at the end position proved to be a serious obstacle to many opposing squads.

Pete proved himself deserving of the honor he received by playing his usual noteworthy game even though his Blue Squad from the North went down to defeat 31 to 6.

Phi Sigma Pi is a national honorary professional fraternity for men preparing to enter the field of teaching. It has two paramount aims: the discussion and advancement of educational ideas, and the cultivating of fraternal fellowship. The fraternity's Teacher Placement Bureau assists in securing positions for its graduating members. Membership in this oldest fraternity on the campus is limited to upper classmen possessing fine character traits and high scholastic standing.

Phi Mu Alpha Sinfonia

Beta Omicron, the Mansfield Chapter of Phi Mu Alpha Sinfonia, was founded in 1931. It has been one of the most active fraternities on campus throughout the year in presenting various worthwhile musical programs for the college students and faculty.

The aims of this national musical fraternity are to advance the cause of music in America, to foster the mutual welfare and brotherhood of students of music, to develop the truest fraternal spirit among its members, and to encourage loyalty to the Alma Mater.

Sigma Zeta

Sigma Zeta, a national honorary science society founded in 1925, has as its objectives the encouragement and recognition of high standards of scholarship among undergraduate college students in science and mathematics.

Active membership is limited to juniors and seniors with sound ideals and scholarship. Students in the first two years of college whose work in the sciences indicates promise of development, may be elected to associate membership.

The interesting meetings, field trips, and enjoyable outings have made this a most successful and vital year for Mansfield's Lambda Chapter.

Eager to promote a closer bond among students of education and to enter into more intimate fellowship with those dedicated to the cause of teaching as a profession, the members of the Illinois Education Club established at the University of Illinois in 1909 an organization which they called Kappa Delta Pi. Beta Rho Chapter of Kappa Delta Pi was installed at Mansfield in 1930.

Kappa Delta Pi aims to encourage professional, intellectual, and personal standards, and to recognize outstanding contributions to education. It is a national honor society in education for Juniors and Seniors who show commendable personal qualities, worthy educational ideals, and sound scholarship.

In the early part of the first semester, candidates for admission into the society are voted upon by the members. In order to be eligible, each candidate must be in the upper quarter of his class. This is based upon his point average for all the academic work he has completed at Mansfield. Initiation takes place at an early Fall meeting.

Beta Rho Chapter, which is under the capable supervision of Miss O'Brien, endeavors to bring benefits to everyone who participates in the meetings and is an active organization on our campus. Since membership consists of students from the Elementary, Secondary, Music and Home Economics Departments, all work together in their common purpose.

Kappa Omicron Phi is a national honorary home economics fraternity attempting to stimulate cultural and inspirational, as well as professional growth. According to definite scholarship and character requirements, members are selected from home economics students who have attained the rank of second semester sophomores.

"The purpose of this professional organization is to further the best interests of home economics in our four-year colleges. We realize the world needs women who have attained an intellectual, spiritual, ethical, and aesthetic poise."

The members accept the responsibility for development of women with higher ideals of sane living, with deeper appreciation of the American home, and with broader, higher intellectual and cultural attainments.

Third Row: June Zimmerman, Phyllis Courtney, Gaynelle Kocker, Lillian Curtis, Carol Cummings, Miriam Hunter, Jean Anglemyre, Mary Mangus, June Place.

Lambda Mu is Mansfield's local honorary sorority for women students in the music department. Members must be second semester sophomores or upper classmen who have attained outstanding academic and musical accomplishments and whose integrity of character makes them eligible for membership. Lambda Mu initiates candidates for membership semi-annually, at which time a banquet is held for members, alumnae members, and initiates.

In the past year Lambda Mu presented an assembly program of music by Johannes Brahms and combined with Phi Mu Alpha Sinfonia for a Christmas program.

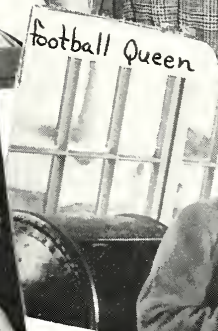

With Mrs. Lewis as adviser, the sorority is looking forward to another eventful year of continuous growth in membership and activities.
